\*For children who have delayed immunizations, please refer to the 2009 CDC “Catch-up Immunization Schedule” to determine adequately immunizing doses. All minimum intervals and ages for each vaccination as specified per 2009 CDC guidelines must be met for a dose to be valid. These guidelines can be found at [www.cdc.gov/vaccines/recs/schedules/default.htm](http://www.cdc.gov/vaccines/recs/schedules/default.htm).
