

2010-2011 School Year Immunization Requirements

NOTE: Immunization documentation must include: the student's name and date of birth, the vaccine given and date (month/day/year) of each immunization, and the signature of a medical provider.

NEW! Students entering grades **6th through 12th** must have appropriate documentation of receiving the following vaccinations: **Tdap** (Tetanus, diphtheria, acellular pertussis) vaccine, **MCV4**-(Menactra or Menveo) meningococcal conjugate vaccine, and **two varicella** (chickenpox) vaccinations, appropriately spaced. Children entering **preschool or kindergarten** at an accredited K-12 school (not daycare centers) must now have **two** appropriately documented **varicella** (chickenpox) vaccines, separated by at least three months.
